This is more than a car; it's a declaration of intent. Crafted for those who reject convention and move through the world with quiet confidence, the Ghost Black Badge is a blend of bold design, uncompromising engineering, and ultimate refinement. Under the bonnet lies the heart of this commanding presence: a 6.7-litre twin-turbocharged V12, producing 592bhp and 900Nm of torque. Unlike anything else on the road, it delivers acceleration with silent, seemingly supernatural force. The enhanced throttle mapping, uprated suspension, and dynamic driving setup make the Black Badge Ghost more engaging than any Rolls-Royce before it — without sacrificing the ride comfort and serenity that define the brand. Step inside, and you're immersed in an interior where craftsmanship meets innovation. The Starlight

Headliner sparkles above a cabin wrapped in technical carbon fibre, deep-pile lambswool carpets, and hand-stitched leather, with accents tailored to your bespoke specification. The Black Badge interior theme introduces bold contrasts, edge-lit metal elements, and the iconic infinity lemniscate motif, signifying the limitless ambition of the Black Badge driver.
