If you are looking for cheap cost of ownership, then you cannot go wrong with a Pajero. The ultimate off-road SUV and high-quality features in one package. One-and-only all-round SUV of its kind, the new Pajero will satisfy your driving desire in any scene, riding the city streets, cruising the night out on the town, or diving into the wild off-road. Experience a whole new level of exclusive. The Pajero is a legend in its own right! With its off-road prowess, it can take on almost any terrain with ease. Mitsubishi's advanced control technologies were first conceived and developed to meet the challenges of the world's most grueling rally courses. AWC incorporates many of these rally-proven technologies to deliver precise traction, power and slip control for each wheel independently to ensure complete driver control in extreme conditions. Pajero's 3.8-liter V6 engine puts an incredible 236BHP at your command ensuring that you'll never be short on power.
