This well-balanced compact SUV offers a smooth driving experience, spacious interior, and modern features, making it ideal for both city commuting and longer journeys. Powered by a 1.6L turbocharged 4-cylinder petrol engine producing around 163 HP and 240 Nm of torque, paired with a 6-speed automatic transmission, the Grandland X delivers smooth acceleration and reliable performance. Its refined suspension and front-wheel-drive system provide stable handling and a comfortable ride across a variety of road conditions. Inside, the cabin features a modern and ergonomic layout with high-quality materials and intuitive technology. Comfortable seating, generous passenger space, and a practical cargo area make the Grandland X a versatile SUV designed to meet everyday needs while maintaining a refined feel. Modern convenience and safety systems complete the package with features such as parking sensors, rearview camera, advanced infotainment connectivity, and multiple driver-assistance technologies — delivering confidence and practicality for every drive. Copy and paste the link below into your browser for an introduction to this vehicle: <https://www.youtube.com/watch?v=DY-ixhDDG1k> The car is packed with features: • 1.6L Turbocharged 4-Cylinder Petrol Engine • 6-Speed Automatic Transmission • Front-Wheel Drive
