This premium compact SUV offers a smooth driving experience, advanced features, and Audi's signature build quality, making it perfect for city driving and long-distance journeys alike. Powered by a 1.4L turbocharged 4-cylinder TFSI petrol engine producing around 150 HP and 250 Nm of torque, paired with a 6-speed automatic transmission, the Q3 delivers efficient performance and smooth acceleration. Its front-wheel-drive layout ensures responsive handling and a comfortable, stable ride across various driving conditions. Inside, the cabin features a clean and modern design with high-quality materials and advanced digital technology. The Audi Virtual Cockpit, intuitive infotainment system, and comfortable seating create a premium driving environment, while ample interior space ensures practicality for both passengers and cargo. Modern safety and convenience features complete the package with parking sensors, rearview camera, cruise control, and advanced driver-assistance systems — delivering confidence and ease of use for everyday driving.
