Designed for modern urban living, this all-electric SUV combines Scandinavian minimalism with innovative engineering, delivering a driving experience that is both effortless and engaging. Powered by a fully electric powertrain producing 272 BHP, the EX30 delivers instant acceleration, smooth performance, and exceptional efficiency. Its compact footprint makes it perfectly suited to city driving, while advanced safety systems and intelligent technology ensure confidence on every journey. Inside, the cabin embraces Volvo's minimalist approach, featuring sustainable materials, a sleek digital interface, and a thoughtfully designed interior that prioritizes comfort and functionality. Every detail has been carefully crafted to create a premium environment that feels modern, intuitive, and distinctly Scandinavian. Combining advanced electric mobility, cutting-edge technology, and Volvo's world-class safety reputation, the EX30 Plus is a compelling choice for drivers looking to embrace the future of motoring.
